Empathetic messaging, trust-based systems, and a content engine that speaks to real pain — not modalities.

Dee

What is The Marketing Makeover Show?

The Marketing Makeover Show is a live YouTube series where Chris Moore works one-on-one with business owners and agency owners to transform their marketing — right before your eyes.

Each episode features a real business owner who gets personalized marketing strategy, copy critiques, funnel reviews, and actionable advice they can implement immediately.

It's part education, part entertainment, and 100% focused on helping you win with your marketing.
